Hi Darsi,

Happy New Year. I hope you enjoyed the holidays.

I am writing to let you know that I will be sending a letter to the Kozaks sometime this week regarding their Federal responsibilities at the Tower Standard site. Among other things, the letter lays out requirements for sharing data and other information with USEPA and the Lac Du Flambeau Tribe. Once the letter is finalized and sent I will forward a copy to you. In addition, I understand my staff is working with your staff to find a date for a meeting between USEPA and WDNR to discuss how we can improve communication and information sharing for the site. In the meantime, please do not hesitate to call if you would like to discuss this further.

Thanks,

Margaret
